Festival & Management Experience

Camden International Film Festival	Points North Institute	Passmaster & PA	Contract • 2019-2025 • Managed pass distribution & pickup for a ~1,300 attendee film festival. Redesigned Box Office workflow with a combination of Airtable, Zapier, and Eventive integrations, creating a more efficient process and reducing manual work. Supported production departments in planning and execution for various festival events.
Emerson Stage	Emerson College	Production Management Assistant	Part-Time • 2023-Present • Collaborated with Production Manager to facilitate a 9-show theatrical season. Responsibilities include rehearsal space booking, key & access tracking, inventory management, and expense tracking.
BlueJay Theater Collective	Emerson College	Managing Director	Student Organization • 2023-2025 • Founded organization in collaboration with Artistic Directors. Created and implemented organization structure and production workflows. Supervised team in day-to-day operations of the organization, producing 9 shows since formation and successfully transitioning it to a new team in 2025.
